**REF: APPLICATION FOR COMPUTER ANALYST/ PROGRAMMER
POST.**

I am Joshua Frank Njau, I have completed a bachelor degree in Computer Science at University of Dodoma. And I currently volunteer myself at the Geological Survey of Tanzania (GST) in Software Development and System Analysis and Design.

I am writing to apply for System Analyst and Programmer at Bank of Tanzania, I enclose a completed application letter and CV.

The role is very appealing to me, and I believe that my strong technical skills and education make me a highly competitive candidate for this position.

With a BSc degree in Computer Science, I have a comprehensive understanding of the full lifecycle for Software Development issues and ability to create, modify and test the codes, forms and scripts that allow software programs to run. I also have experience in designing and creating software programs, integrating systems and maintaining them. Please see my CV for additional information on my experience and GITHUB link: <https://github.com/josure-pro> .

I can be reached anytime via email at frankjosure@gmail.com or by cell phone, +225 764 730 685.

Thank you for your time and consideration. I look forward to speaking with you about this opportunity.

Sincerely,

JOSHUA FRANK NJAU.
