

For all first year students taking PRINCIPLES OF PROGRAMMING (CP 111).

Assignment announcement.

1. The assignment is on the CIVE E-CLASSROOM PLATFORM.
2. The platform is only accessible on the CIVE local area network only, not on the internet. (Use LABS, LIBRARIES, CLASSROOMS,...to access the system).
3. Login to the system using:
 - use <https://192.168.3.23> to enter to the system
 - username: YOUR REGISTRATION NUMBER.
 - password: YOUR SURNAME.
- ⇒ You may change your password for security reasons.
4. Do the assignment on your computer, Go to Assessment tab to find Assignment. To upload your assignment use upward arrow icon besides download icon.(PDF only)
5. Upload your answers' document back to the platform on that assignment.
6. The document you upload must be of **PDF** format. (If not PDF then your assignment will not be marked).
7. Upload only once, you may not be allowed to upload twice or more. Make sure the document you upload is the last version of your assignment responses.
8. The assignment deadline is on 16th/01/2021 at 00:00 hrs. Please upload your document before that time.
9. Avoid plagiarism and copying each other as the system detects automatically those kinds of frauds.
10. You are advised to start using the system today, if there is any problem, then report it to the number provided below. There will be no excuse for the failure of uploading the assignment answers.
11. All lectures notes, assignments, lab works and lecture videos materials will be available to the system. (No Internet required).
